WATERLOO - The Cedar Rapids Washington boys golf team won its first conference title since 1994 Monday behind another impressive performance by Frank Lindwall.

Lindwall fired a 6-under-par 66 as the Warriors edged Xavier, 864-867, for the Mississippi Division title in the Mississippi Valley Conference at the Irv Warren course in Waterloo.

Lindwall ran away with medalist honors in the 54-hole tournament with scores of 69, 64 and 66 at three different courses on three different days. He won the championship by 13 strokes over Sam Martin of Xavier.

Jake Patterson of Washington finished third in the overall standings, Will Jackson finished sixth and Jabe Gonder tied for ninth, giving the Warriors four golfers in the top 10.

The Xavier Saints countered with Martin (2nd), Jordan Even (tied for 3rd), Matt Neumeyer (7th) and Mitch King (tied for 11th) in the composite 54-hole standings. Luke Winker, sidelined several weeks with an illness, shot an even-par 72 Monday to help the Saints, but he did not play all three rounds in the division tournament.

Even fired a 1-under 71 for the Saints Monday. Winker and Martin were a shot back at 72.

Mitch Lorenz of Prairie finished fifth overall at 221, helping the Hawks place third in the standings.
