The Xavier Saints suffered a gut-wrenching loss in extra innings Monday night, but they rebounded and collected their first victory of the season in extra innings Tuesday night.

The Saints trimmed Benton Community, 8-7, in eight innings at Ken Charipar Field for their first win after nine straight losses.

Nick Stark led off the bottom of the eighth inning for Xavier with a single and stolen second base. Sean Murphy collected an infield single and Stark scored all the way from second base on a throwing error.

Sam Meyers got the victory in relief. Murphy had three hits.
