The third-ranked Washington girls tennis team showed it will be a force to be reckoned with at next week's 2A state championship by whitewashing Linn-Mar, 5-0, Tuesday afternoon in the first round of the state tournament at the Veterans Memorial Tennis Center.

The Warriors advanced to the final field of four by posting straight set wins in singles matches. The sixth match was stopped with the team victory in hand. No doubles matches were played.

The state team championship will be contested on Saturday, June 4, in Iowa City. Singles and doubles competition is June 2-3.

In claiming its first team state tournament berth since 1998, Washington (17-3) had little trouble with Linn-Mar (11-5).

The closest and longest match pitted Warrior ninth grade phenom Rina Moore against Lions sophomore Ashley Smith. After nearly 90 minutes of hard-fought play, Moore prevailed, 6-3, 7-5. The win raised her season mark to 18-2, with one of the losses coming to top-seeded junior teammate Katie Hammond in the regional singles finals.
