WATERLOO - The Linn-Mar softball team was a witness to history Tuesday.

Waterloo West senior Jadyn Spencer hit two home runs against the Lions in the second game of a Mississippi Valley Conference doubleheader to break the state record for most career homers.

Spencer slugged the 50th and 51st home runs of her career as Waterloo West won the nightcap, 7-2. The old record was 49 homers, set by former North Polk star Sammy Snygg.

For good measure, Spencer pitched a no-hitter for Waterloo West in the first game of the doubleheader for a 9-0 victory.

Spencer will play softball at the University of Alabama.
