Cedar Rapids Jefferson saluted its 1972 state championship team Friday night at Kingston Stadium and said goodbye to this year's senior class.

The game against Dubuque Senior ended in a 42-0 defeat, leaving the J-Hawks with a 1-8 record in Brian Webb's first year as head coach.

It may have been a disappointing ending, but Webb was anything but disheartened by the effort his team has put forth throughout the season.

"Our future is bright," he said. "It has been a season of ups and downs, but we have come through it together.

"Our expectation is that we are all-in or all-out and these guys proved to be all-in. They worked hard all season and provided the foundation we needed to build for the future.

"We had 27 juniors and seniors who were committed and it's that kind of commitment that success is built on," he said.

The J-Hawks (1-8, 1-5) had 110 yards of total offense. They were led in rushing by Michael Moncivais, who carried the ball nine times for 18 yards.

Layne Sullivan accounted for 45 passing yards, completing 5 of 12 attempts. Brandon Wiederin, Blake Bernauer and Ben Koering each caught two passes.

"We put everything on the field every day all year," said senior Hunter Kloubec. "Everyone was there for everybody all season. Coach changed everything and pushed us to get better."

Dubuque Senior (7-2, 4-2) was led in rushing by Alex Duster, who carried the ball 21 times for 170 yards and a touchdown. Austin Clemens was 5-for-8 for 99 yards and three touchdown passes and rushed for a fourth.

It was a season which saw Jefferson end a 24-game losing streak and turn a corner in a new beginning. It was also a night when Jefferson remembered a significant piece of its rich tradition.

The 1972 state champion J-Hawks returned for their 40th reunion and got some well deserved recognition at halftime.

"We got over the hump and now it's time to move forward, to begin preparing for next season," said Sullivan, a junior. "We have to work together and we have to buy in and start right now."
