The Kirkwood men's basketball program will be hosting an Alumni Day this Saturday for all former players, coaches and managers of the team.

The ninth-ranked Eagles (19-3) are hosting Iowa Lakes (15-7) in a key ICCAC conference game at 3 p.m. Saturday at Johnson Hall.

All of the alumni and their families will be admitted for free. There will be a social gathering for all the alumni at Jersey's after the game.
