Linn-Mar senior Ross Lembeck has decided to continue his wrestling career at the University of Iowa, his father Chris Lembeck said Thursday.

Lembeck was a four-time place-winner at the Class 3A state tournament. He finished 2nd, 3rd, 5th and 7th for the Lions, including a third-place showing at 152 pounds this year.

Lembeck was ranked No.1 this year, but he missed a month of the season with a knee injury and hurt his shoulder at the state tournament. He also suffered from a knee injury last year as a junior.
