Linn-Mar senior Jason Tichy has accepted an offer to join the basketball program at Viterbo University next season.

Tichy has modest averages of 2.6 points and 2.5 rebounds for Linn-Mar, but he's a valuable reserve as an athletic 6-foot-5 forward for the eighth-ranked Lions.

Tichy had nine points against Washington this season, five rebounds against Southeast Polk and three blocked shots against Prairie.

Tichy is the second Linn-Mar senior to make a college commitment. Lane Halupnik has committed to Coe.

Viterbo is an NAIA school in La Crosse, Wis.
