Steve Dickinson has retired as the girls soccer coach at Linn-Mar High School after 11 years.

Dickinson won four Mississippi Valley Conference titles and made four trips to the state tournament with the Lions. He was named the State Coach of the Year during his career, among other honors.

"Coach Dickinson, along with all the players and coaches on his staff, have helped turn our LMGS program into a top-10 ranked program in the state," said Linn-Mar associate athletic director Tonya Moe. "He bleeds red and black and loves the game of soccer."

Linn-Mar played in the Class 3A state tournament this year.
