Iowa City High scored a goal in the sixth minute of overtime to beat Class 2A No.3 Xavier, 2-1, in boys soccer Saturday at Xavier.

The match was a makeup from earlier in the week and was played on a soggy field.

Xavier scored in the 34th minute on a goal by Isaac Frisch. Daniel Cowden got the assist on a through ball, and Frisch dribbled around the City High keeper for the goal.

The Saints' lead last only three minutes.

City High took advantage of a miscommunication by the Saints defense and scored on Fernando Pacheco's goal to tie the game, 1-1.
