The Cedar Valley Christian football team will receive a "Just Drew It/Live Like Line" award for its sportsmanship, dignity and valor.

The award is named after former Cedar Rapids Kennedy golfer Drew Wall and former Iowa City West volleyball player Caroline Found. Wall lost his battle with cancer last November, and Found died in a moped accident two years ago.

The award is presented on behalf of the Wall and Found families.

Cedar Valley Christian lost all nine of its football games last season by lopsided margins, but the Huskies have continued to work hard and display good sportsmanship despite having a small, inexperienced team.
