The Cedar Rapids Kernels and Minnesota Twins announced Friday that catcher Michael Quesada has been placed on the 7-day Disabled List, retroactive to April 17, and catcher Bryan (B.K.) Santy is joining the Kernels from Extended Spring Training.

The Twins selected Santy in the 30th round of the 2012 draft from the University of Washington. He played in 23 games with Elizabethton last season, batting .256 with three doubles and 12 RBIs.

Quesada goes on the DL with a right wrist contusion after being hit by a pitch Wednesday. In nine games for the Kernels, he is batting .185 (5-for-27) with four doubles and three RBIs.

Santy will be available for Friday night's game with West Michigan at the stadium.
