The Cedar Rapids Kernels and Minnesota Twins announced Wednesday that left-handed pitcher Randy Rosario has been activated from the 7-day disabled list and right-handed pitcher Keaton Steele has been placed on the 7-day DL, retroactive to June 29, with a right shoulder impingement.

Rosario was placed on the DL when the Kernels broke Spring Training in April. He was signed by the Twins as a non-drafted free agent on Aug. 16, 2010 and pitched in three games for the Kernels in 2014, posting an 0-1 record and 5.40 ERA.

Steele has made seven appearances (six starts) for the Kernels with a 2-2 record and 3.46 ERA.
