Aleena Hobbs and Allie Wirth from the Coe women's basketball team are members of a USA D-3 all-star squad that will play a series of games in Brazil later this month.

The tour runs from July 21 to July 30 and will include games in Sao Paola and Rio de Janeiro.

The players will experience educational, cultural and social aspects of Brazilian life during the trip. They will stay on the Copacabana Beach and tour the Christ the Redeemer Statue and Sugar Loaf, two international landmarks.
