

The Iowa Valley League season will begin this Sunday, May 28 with doubleheaders at Norway, Watkins and Walford.

The Metro Sports Report will be providing extensive coverage again this season.

The season runs through July 30 and will be followed by the annual IABA state tournament that runs two weeks in August.

Six-time defending IVL champion Red Top, which also claimed the IABA state title in 2016, will again be joined in the league by teams from Fairfax, Norway, Walford, Watkins and Williamsburg.

Most of the the games are played as Sunday doubleheaders. There also are also Saturday twinbills planned for June 10 when Walford hosts Norway and the annual holiday doubleheader on July 8 with Norway playing at Watkins.

Red Top will not have a permanent home field this year after playing last season in Solon. Red Top will play some home contests this year at Norway and will be designated as the home team in doubleheaders at Fairfax on June 25 and Williamsburg on July 30.

Here is the complete 2017 schedule. Team rosters will be released later this week.
