Nicole DuToit of Ellsworth Community College has become the 40th player to join the Iowa Women's Softball League for this summer.

DuToit, an outfielder, is hitting .500 with four RBIs for Ellsworth this season as a sophomore. She hit .250 with 10 RBIs last year.

DuToit, who attended Southeast Polk High School, has selected the new Central Division this season with games in Ames and Indianola. There is also an Eastern Division in Cedar Rapids.

The Iowa Women's Softball League was created by the Metro Sports Report last year and is the only collegiate summer league in Iowa. All current and former college players are eligible, including graduating seniors.

The IWSL features players from NCAA, NAIA and Junior College schools and is a competitive league in a relaxed environment. The league uses a continuous batting order and free defensive substitution for equal playing time for everyone.

The Hawkeye Convenience Stores are the title sponsor for the league.
