WALKER - Lindsey Culver blasted two inside-the-park home runs Sunday to help Metro Sports Report sweep a doubleheader from Ironside Apparel in the opening games of the 2020 Iowa Women's Softball League in Walker.

Culver ripped a grand slam over the right fielder's head as Metro Sports Report topped Ironside Apparel, 10-5, in the first game at the spacious field in Walker. She then lofted a two-run homer over the center fielder's head to help MSR trip Ironside, 6-4, in the second game of their twinbill.

The IWSL played all of its games on Busse Field at Mount Mercy University in Cedar Rapids the last two years, but Busse Field is currently closed due to the pandemic and the league has moved 25 miles north to Walker for at least the first four weeks of the season.

The players and fans enjoyed the splendid hospitality by the good folks of Walker, and the local citizens enjoyed having college softball come to town.
