None of the high school football games that were scheduled for the Metro area were played Friday night due to the heavy thunderstorms and lightning that passed through the area.

Xavier High School canceled its home game against Dowling Catholic. The game will not be rescheduled. Dowling is unable to make another round trip from West Des Moines on Saturday for a possible makeup date.

The other three games in the Metro area were postponed until Saturday.

Washington will face Jefferson at 2 p.m. Saturday at Kingston Stadium.

Prairie will play Linn-Mar at 5 p.m. Saturday at Linn-Mar Stadium.

Marion will host Mount Vernon at 7 p.m. Saturday at Thomas Park.
