The Linn-Mar girls swept the top five spots in their race for a perfect score of 15 points to easily outdistance the six-team field. The Linn-Mar boys nearly duplicated the feat by sweeping the top four spots in their race.

Amber Decker sped to victory over the 4K girls course in 15 minutes, 18 seconds for a 13-second victory over teammate Maddie Saville.

Dalton Gosch claimed top honors in the 5K boys race in 16 minutes, 27 seconds for a 19-second victory over teammate Ryan Murphy.
